IPTV Remote Control

e+ Broadband®

1. If programmed, the **TV** button powers your Android TV on or off.
2. Press the **BOX** button to turn your box on and off.
3. **GUIDE** takes you to the on-screen program guide.
4. **APPS** displays the apps that are available on your device.
5. The **BACK** button goes to the previous screen. In Guide mode, press twice to review and watch up to 72 hours of previous programming.
6. If programmed, the **VOL** button controls the sound to your Android TV.
7. Press the **NETFLIX** button to launch the Netflix app.
8. The **RED RECORD** button lets you record the show you are watching or record a show selected in the guide.
9. Press the **YELLOW** button to display a list of recorded shows and scheduled recordings.
10. **INFO** shows information for the show.
11. Issue voice commands on your Android TV, by pressing and holding the **MICROPHONE** button as you speak.
12. **SETTINGS** displays the settings on your Android TV or the Box, depending on your setup.
13. Press **OK** to choose menu items.
14. Use the **ARROWS** to navigate on the Android TV or EPlus Broadband app. In recorded content, skip forward (30 sec.) with the right arrow and back (10 sec) with the left arrow while watching.
15. **HOME** goes to the home screen and displays Apps available on your screen.
16. The **PICTURE** button displays your current screen information.
17. Press the **MUTE/SOUND** button to mute the sound or turn it on.
18. Use **CHANNEL UP/DOWN** to change the channel or move quickly through the lists or guide.
19. Press the **PRIME VIDEO** button to open the Prime app.
20. The **GREEN** button takes you to the guide.
21. Press the **BLUE** button for the on-screen program guide.

To pair the remote to your Android TV or the box, long press the back and home buttons together until the red light flashes quickly, then release. This begins the pairing mode. Wait a few seconds without pressing any buttons until a message comes on the screen that the remote has paired successfully. Follow on-screen instructions to finish setup.

Availability of third-party content from streaming sources is subject to change, and certain third-party fees may apply.
